Strategic Plan Overview

Ready.

Resourceful.

Responsive!

Our Purpose:

Delivering combat capability through logistics.

Our Mission:

To provide Navy, Marine Corps, Joint and Allied Forces quality supplies and services on a timely basis.

Our Vision:

We will be the customers' choice for best value products and services, where a single request by the customer activates a global network of sources and solutions. In short, "One-Touch Supply."

Our Values:

Customer Focus - We exceed our customers' expectations ... our customers set our priorities.

Employee Support - We are committed to our people ... their development, involvement and recognition.

Best Value - We deliver quality products and services at least cost to our customers.

Innovation - We constantly explore new ideas and methods to increase our efficiency, speed and effectiveness.

Teaming - We aggressively seek effective partnerships to improve our quality.

Honor and Integrity - We are open, honest and fair ... we take full responsibility for our actions.

Community Support - We actively support the communities in which we operate and live.
