Mission statement

Naval Sustainment System-Supply (NSS-Supply) is a multi-year journey to transform the End-to-End Supply Chain and provide the sustainment outcomes the Fleet needs.

How?

NSS-Supply is structured by initiatives that...

1. Drive “Get Real Get Better” analysis
2. Elevate issues to senior leadership
3. Secure resources for a path to “Get Better”

NAVAL SUSTAINMENT SYSTEM – SUPPLY

**Naval Sustainment
System-Supply**
is focused on
delivering Fleet
outcomes
