- If the member/employee would like to retrieve the confiscated items, it is their responsibility to contact the Ministry of Interior to determine if the item will be released.
- Please refer the below given web site for further information on Bahrain Customs Regulations (<https://www.bahraincustoms.gov.bh/en/prohibited-and-declared>)

PRIVATELY OWNED VEHICLES (POVS)

- Effective 1 May 2016, all vehicles shipped to Bahrain older than 5 years of age will have to be exported when the member departs the island.
 - Vehicles shipped under this exemption will not be allowed to be re- registered if sold to another party.
 - Members are advised before they purchase a vehicle in Bahrain to make sure the vehicle was shipped prior to the exemption date to ensure that it can be registered.
- Authorized DOD personnel may import free of duty no more than one privately-owned vehicle for the personal use of the member.
 - The local Ministry of the Interior defines a motor vehicle as either automobile or motorcycle with engine power exceeding 1.5 HP and engine size exceeding 50 cc.
 - However, you may import a second or third vehicle, but member is liable to pay the 20 percent import tax and local port handling.
 - The legwork to complete the customs processing is the member's responsibility.

PROHIBITED VEHICLES/ITEMS:

- POVs with Right Hand Drive are **Not Authorized**.
- **Electric Vehicles (EV)** ARE allowed to be shipped to the KINGDOM OF BAHRAIN. NOTE: There are only 2 charging Stations located on the Island, (SAAR and SEEF AREA), members should consider locations of charging stations in reference to where they may reside before shipping. Members/Employees are highly encouraged to contact their sponsor regarding the overall cost of installation of Home Charging Ports into rented properties, to include monthly electric fee.
- Willy jeeps are prohibited from importation in Bahrain, all other jeeps are allowed.
- No license plates are allowed on or in the POV to Bahrain, because foreign license plates are prohibited completely in Bahrain.
- Local Bahraini Customs Agents are confiscating all foreign license plates from inbound POVs at the Port of Khalifa, Bahrain.
- All license plates should be returned to service members prior to shipping a POV to the Kingdom of Bahrain.
- Packing license plates in the vehicle accessory box is prohibited.
- After market fitting or additional fitting is prohibited.

REGISTRATION

- All POVs are required to be registered with the government of Bahrain **prior** to being picked up from the VPC.
- Before member/employee can register their vehicles they must obtain their VISA and CPR (personal identification number issued by the Kingdom of Bahrain) Card.
- Country VISAs are applied for once the member/employee arrives in country and requires a **GOVERNMENT PASSPORT**, not personal/tourist passport.
- Once the VISA is received, the member/employee will then apply for their CPR Card. It will take approximately one month to receive both VISA and CPR.
- Both documents are processed by the Base Immigration Office, therefore it is imperative that member/employee apply for their VISA as soon as they arrive on station.
- Vehicles left at the VPC for more than 20 days are subject to storage fees at member expense.
- Personnel must be 18 years old and possess a valid permit to operate automobiles and motorcycles.

INSPECTION

- POV will be inspected by local traffic directorate for compliance and thus requires registration according to Bahrain traffic law.
- Tinted windows: Local motor law allows the importation of vehicles with factory tinted windows.
- Vehicles cannot be registered unless the windshield and front side windows allow at least 70% of light to pass through.
- The front windshield may have a sun strip as long as it is the original manufactured windshield.
- All windows behind the front driver and passenger side windows can be tinted as long as it is the factory tinted windows.
- The amount of tinting for windows behind the driver and passenger side windows was not address by the Kingdom of Bahrain with the exception of them needing to be factory tinted.

- Vehicles must meet operational and safety standards.
- Missing fenders, broken windows, missing side view mirrors, and improper wheel alignment (wheels that cannot be turned from full right to left without jamming or rubbing part of the vehicle) will not be accepted.
- Stickers, drawings, advertisements, or writing on the vehicle are not allowed.

MOTORCYCLES/MOPEDS

Mopeds and motorcycles require registration according to Bahrain traffic law.

GASOLINE/CATALYTIC CONVERTERS

Unleaded gasoline is available throughout Bahrain. Removal of catalytic converters is no longer required.

The Island of Bahrain does not have Ultra Low Sulfur Diesel, Diesel fuel in Bahrain is 500ppm.

INSURANCE AND SAFETY REQUIREMENTS

- Insurance and traffic registration expiration dates must coincide with one another, (i.e., last day of the month).
- Insurance and registration must be renewed annually; failure to comply will preclude operation of vehicle and may subject the owner to a penalty in accordance with Bahrain law.
- Automobile insurance for the Bahrain area is reasonable.

- Cost depends on make, model, year of vehicle and the total value (what is it worth at present) you declare on the vehicle.
- Insurance is compulsory, and POV cannot be released, registered, and used without proof of insurance.
- Once insurance is issued on a vehicle, coverage includes anyone who drives the vehicle.
- Not necessary to have each individual driver insured. There are two types of insurance policies available:
 - Third party (without collision) will run about \$125-160 per annum.
 - Comprehensive (full cover) will run \$300 and above per annum.

SEXUALLY EXPLICIT/PORNOGRAPHIC MATERIAL

The importation of pornographic material is a strict violation of Bahrain law. Those items determined to be pornographic will be confiscated, destroyed and the importer will be prosecuted.
