HOUSING

- Single unaccompanied members obtaining off-base quarters normally have 900-1200 square feet living space and should limit the amount of personal property shipped. On-base single quarters are smaller, and the waiting time is extensive.
- Due to the high cost of off-base quarters in Hawaii, members should plan to live in smaller sized quarters than they are used to. Oversized and/or large furniture and non-essential items should be placed in non-temp storage at origin for duration of member's overseas tour.
- Depending on size of family quarters assigned/obtained, standard housing in Hawaii is small; i.e., 8 foot ceilings, 12 by 14 foot master bedrooms, and other rooms 10 by 12 foot or 10 by 8 foot.

APPLIANCES

- Effective immediately, washers and dryers will no longer be furnished to Army or Navy members occupying privatized quarters. Issues of stoves and refrigerators will continue.
- Army, COMNAVREG HAWAII and MCBH do not issue appliances for off-base use.
- All other military personnel assigned to Hawaii (Island of Oahu) will be furnished major appliances to include washers, dryers, stoves and refrigerators.
- Members should be advised to use CONUS NTS if they plan to use the government-furnished appliances.

MAJOR APPLIANCES

- Major appliances, when authorized by the service, are furnished in both government quarters and off-post housing (local economy) upon request form Command sponsored service members.
- Effective 01 April 2018, Hickam Communities, LLC (HC) no longer provides washers and dryers to E5 and above personnel, with the exception of Key and Essential personnel.
- E1 to E4 Active Duty Service Members will continue to be provided a HC washer and dryer upon move in and may continue to use them through the duration of their occupancy in HC housing.
- E5 and above personnel, who accept and move into a HC home, may request the use of a HC washer and dryer for 30 days while awaiting delivery of House Hold Goods (HHG). Extensions may be granted on a case-by-case basis in 15 day increments not to exceed 60 days total usage time.
- Dryer outlets in HC homes may be 3-prong or 4-prong outlets. Service Members are responsible for obtaining and changing dryer cords on their personally owned dryers if necessary. Replacement cords are available at most local hardware or appliance stores on Oahu.

GOVERNMENT FURNITURE

- Furniture support is limited to a temporary basis, pending receipt of household goods.
- Support period is a maximum of 90 days, unless household goods are not received within that timeframe, through no fault of the member.
- Members should contact their sponsors before finalizing arrangements for shipment to Hawaii.
- Navy personnel in pay grades E5 and below without dependents PCS to vessels homeported in Hawaii should be advised not to ship household goods due to government quarters are available on board the vessel.
- Navy personnel in pay grades E5 and below without dependents PCS to shore duty should consult their local command instructions concerning authorizations to live off base prior to shipment of their household goods.
- Geographic Bachelors PCS to Hawaii do not fall under the category of no dependents.

ALCOHOL (IMPORTATION)

- Hawaii State Law (HRS 281-33.1) requires ALL persons (DoD as well as Non-DoD personnel) to acquire an Alcohol Import Permit for any HHG or UB shipment containing alcohol entering the State of Hawaii. Prior to any shipment(s) containing alcohol (wine, grape/fruit-based aged products, distilled spirits, beer, etc.) departing the Air or Water Port of Debarkation in Hawaii, customers are required to have an Alcohol Import Permit..... in-hand.
- Please realize there are different importation limits for wine or aged grape/fruit products and distilled spirits or beer. Each County's requirements (Honolulu County-Island of Oahu, Kauai County-Island of Kauai, Maui County-Islands of Maui, Molokai, Lanai, and Hawaii Island County) are different based on the individual County's Liquor Commission processes.

Several off-base high rise apartments do not allow hoisting, resulting in members selling large furniture or paying for commercial storage.

PETS/QUARTANTINE

- Entry of cats and dogs are authorized.
- Effective 30 June 2003, cats and dogs meeting specific pre-arrival and post-arrival requirements may have their quarantine period reduced to five days or less. The cost for direct release will be \$165.
- If the pet must be held for five days or less, the cost will be \$224. Owners are responsible to ensure all documents are in order and all requirements are met. Deficiencies could result in 120-day quarantine period.
- A quarantine period of 120 days is required at a cost of approximately \$1,080.00 per animal per 120-day program (fees are subject to change).
- The Department of Agriculture has published a checklist for pet owners on their website: <http://hdoa.hawaii.gov/ai/aqs>.
