If you are registering to use this system for the first time, contact your supervisor for an initial registration password, enter the password in the box below, and click Create button to begin the registration process

You will then be directed through several steps in a registration process. Enter your personal information into the required fields to create your own account.

Once you have completed the registration process, log in with your new Login ID and password in order to access the system and begin your training.

NOTE: If your email address ends with ".mil", [CLICK HERE](#) and our server will send you the registration password immediately.

Registration Password:

If you need help registering you can email [ECATTS Support](#) or call 866-730-4253 for assistance. You will receive a response within 24 hours.

About ECATTS

Welcome to ICLD's Environmental Compliance Assessment, Training, and Tracking System (ECATTS). This system is designed to provide an understanding and awareness of the environmental requirements established by the United States Environmental Protection Agency (EPA), the United States Department of Defense (DoD), and the state or country in which your facility is located.

Maintaining environmental compliance is everyone's responsibility. While working on Navy bases, you are required to know and understand how EPA, DoD and your state's or host country's environmental compliance laws impact your work activities. Environmental compliance means doing your job in such a manner so that you prevent harm to the environment, yourself, and your coworkers.

This system will help you develop the skills you need to maintain an environmentally friendly work environment and to complete your work tasks in accordance with the various installations' environmental policy.

Problem Accessing Your Account?

Select the (+) for Military Base Employee or Related Personnel

The screenshot shows a web interface with a green header containing navigation links: HOME, TRAINING PLAN, TEST RESULTS, PRINT CERTIFICATE, MY PROFILE, SUGGESTIONS, and LOGOUT. Below the header, the page title is "All Available Training". On the left, there is a sidebar with links for Environmental Policy Statement, EMS Training, CNR Mid-Atlantic Environmental Support, NAVFAC Mid-Atlantic Environmental, NSA Mechanicsburg Home Page, Notices and News, ECATTS User Manual, ECATTS Newsletter, ECATTS Catalog, Español (Spanish), and English. At the bottom of the sidebar, it says "Your last login was: 09-September-2021 9:38". The main content area is titled "Available Training Categories" and lists several categories, with "Military Base Employee or Related Personnel" expanded to show a list of training topics with their durations in parentheses. The topics include Above Ground Storage Tanks, Affirmative Procurement/Green Procurement (~15 min), Air Quality (~20 min), Asbestos (~20 min), Building Construction, Demolition or Renovation (~15 min), Conservation (~10 min), Corrosion Control (~10 min), Drinking Water, Emergency Planning and Community Right-to-Know Act (EPCRA) (~10 min), Environmental Compliance and Enforcement (~15 min), Environmental Management System (~20 min), Environmental Management System (EMS) General Awareness Training for installation Commanding Officers and Executive Officers (~20 min), EMS General Awareness Training: NSA Mechanicsburg, NSA Philadelphia, Philadelphia Navy Yard (~20 min), Environmental Responsibility and Management Systems Video Training (~20 min), General Environmental Compliance (~10 min), Hazard Communication (HAZCOM) (~15 min), Hazardous Materials (~10 min), Hazardous Waste Management (~20 min), Lead-Based Paint (~15 min), Natural Resources, Annual Oil Handler Spill Briefing Training: NSA Philadelphia and Philadelphia Navy Yard Annex (~20 min), PCBs Management (~15 min), Navy PPV Environmental Training, Pest Management, Pesticides (~5 min), Petroleum, Oils, and Lubricants Management (~10 min), Pollution Prevention and Control, Recycling (~10 min), Refrigerant (~15 min), Regulated Waste Handling at Philadelphia Naval Installations (~20 min), and Resource Conservation and Recovery Act (RCRA) Annual Refresher.

No registration required. Each training topic includes a test at the end.

TRAINING TITLE	# PAGES
Emergency Planning and Community Right-to-Know Act (EPCRA) (~10 min)	12
Hazard Communication (HAZCOM) (~15 min)	15
Hazardous Materials (~10 min)	8
Hazardous Waste Management (~20 min) (STATE SPECIFIC)	21
Petroleum, Oils, and Lubricants Management	9
Pollution Prevention and Control	
Pollution Prevention (~5 min)	8
Pollution Control (~20 min)	10
Resource Conservation and Recovery Act (RCRA) Annual Refresher	
Part 1: Introduction (~5 min)	2
Part 2: Environmental Laws and Liability (~20 min)	21
Part 3: Hazardous Waste Identification (~20 min)	15
Part 4: Hazardous Properties (~20 min)	14
Part 5: Hazardous Waste Compatibility (~20 min)	8
Part 6: Standards Applicable to Generators (~20 min)	20
Part 7: DOT Hazmat Regulations (~20 min)	32
Part 8: Personal Protective Equipment (~20 min)	19

To find training material, select “Contacts, Documents, Videos, and Photos

The screenshot shows the homepage of the Naval Support Activity Mechanicsburg Environmental Compliance System. The header includes the system name and a navigation menu with links for HOME, TRAINING PLAN, TEST RESULTS, PRINT CERTIFICATE, MY PROFILE, SUGGESTIONS, and LOGOUT. A sidebar on the left contains links for Environmental Policy Statement, EMS Training, CNR Mid-Atlantic Environmental Support, NAVFAC Mid-Atlantic Environmental, NSA Mechanicsburg Home Page, and a 'New!' section for Notices and News. The main content area features a large heading 'NAVSUPACT MECHANICSBURG PA' and three buttons: 'My Training Plan', 'All Available Training', and 'Contacts, Documents, Videos, and Photos'. Below these buttons are three images: a keyboard with a green arrow, a magnifying glass over a document, and a hand holding a tablet with a green arrow.
