Subj: Amplifying Guidance for Navy Household Goods & Privately Owned Vehicle Shipments/Storage During Stop-Movement.

Ref: (a) NAVSUP HHG Policy Advisory 2020-01 (Rescinded).

1. Sailors and DoN Civilian employees with funded orders may continue to arrange Household Goods (HHG) and Privately Owned Vehicles (POV) based upon their Command guidance. This is in accordance with USTRANSCOM Personal Property Advisory #20-0058D, paragraph 6 and includes shipments scheduled for movement prior to and during the current DoD stop move date, 30 JUN 2020.

NOTE: Sailors and DoN Employees are to present this NAVSUP HHG Advisory as the HHG & POV transportation "Exception to Policy" document currently required by the Personal Property Shipping Offices and Vehicle Processing Centers.

2. Each Sailor and DoN Employee is responsible to ensure they are cleared to proceed by their respective Commands PRIOR to arranging transportation, in accordance with the current DoD SECDEF Stop Move and NAVADMIN 116/20 R 212136Z APR 20 guidance.
3. All Navy Customers must be cognizant that pack out dates, onward movement and delivery of shipment is subject to Transportation Service Providers availability, Host Nation, State, Local and Installation restrictions. Transportation required delivery dates cannot be guaranteed due to the current worldwide Covid-19 Pandemic.
4. Sailors with questions regarding household goods should contact householdgoods@navy.mil or call 1-855-HHG-MOVE (1-855-444-6683). Questions for Stop Movement and Entitlements for permanent change of station (PCS) travel (per diem etc.), non-HHG related, contact the My Navy Career Center (MNCC) via email: ASKMNCC@NAVY.MIL or phone: 1-833-330-6622.
